## Top 5 Universities to Study in Malta

### Without IELTS

Malta offers a wide range of educational opportunities, including universities and institutions that provide degrees in various disciplines. Malta is a small island country located in the Mediterranean Sea, South of Italy and North of Libya. English and Maltese are the official languages of Malta. Due to its colonial history, English is widely spoken and used in business, education, and daily life.

Golden Future is an educational platform that offers opportunities for students to study abroad. It offers courses to **study in Malta**, France, Italy, Sweden, and many more countries. The team at Golden Future helps students get visas for different institutions across the globe. Our visa consultants assist clients in preparing and compiling the necessary documents for visa applications. This includes filling out application forms and gathering required certificates, transcripts, letters of recommendation, and other supporting materials.

## Education in Malta

If you want to **study in Malta**, primarily you should get a **Malta student visa**. However, admission requirements can vary depending on the university and programs.

Here are five universities where you might be able to **study in Malta without IELTS** -

- 1. American University of Malta:** A private university offering various programs in English. It has specific language proficiency criteria in place of IELTS. The university offers several bachelor's and master's programs in the field of science, business administration, and game development.

2. **Global College Malta:** This is another private institution that offers programs in English. They offer undergraduate and postgraduate courses for international students.
3. **MCAST (Malta College of Arts, Science & Technology):** This University does not require admissions through IELTS but other proficiency tests conducted by the university. It offers programs relating to arts, science, and technology.
4. **The LSC Malta (London School of Commerce):** This Maltese University offers a wide range of courses related to Business Administration, HR Management, and other post-graduate courses. Students can directly get admission to this university without appearing for IELTS.
5. **The LearnKey Institute:** The LearnKey Institute offers courses for Accounts, Finance, Business management, and information technology. The University accepts admission of international students based on their profile and SOP.
